

Thank you for your donation

Thank you for your gift of £300.00.

Thank you for your gift to the Ukraine Humanitarian Appeal. With your support, the staff and volunteers of our sister organisations can continue to provide meals, shelter and protection to the hundreds of thousands of people fleeing Ukraine.

Caritas Spes is a charitable mission of the Roman Catholic Church in Ukraine. Its director, Father Vyacheslav Grynevych, said:

'My colleagues are working day and night. We prepare projects and coordinate activities even when we're hiding in bomb shelters. We are trying to respond to this situation as fast as we can. Thank you for your support. It is very important for us as humanitarian organisations that we see that we are not alone in this terrible situation.'

Please keep the people of Ukraine and all our brothers and sisters affected by conflict in your thoughts and prayers.

Dear 20th Southgate,

Thank you so much for your donation to The Felix Project. It's thanks to generous people like you that we have been able to increase our operations drastically during this time of crisis, distributing over 30 tonnes of food a day to help feed Londoners in need.

Vicki Williams, Founder of BreadnButter, tells us that " Since the Corona Virus outbreak, The Felix Project food has been invaluable to those most affected in the community. In the last few days we have delivered emergency food parcels to families who have not been able to get food because of their current situation. "

We are committed to keep working in overdrive to continue bringing healthy and nutritious food to London's most vulnerable people in this time of crisis. Your donation makes this possible and we are extremely grateful for it.

Thank you and best regards,
Andy, Head of Marketing and Fundraising at The Felix Project.

More information about Chickenshed:

Chickenshed champions difference through inclusion, to enrich lives and transform our world. Through inclusive theatre we aim to empower individuals, change hearts and minds and transform institutions.

Every year, Chickenshed supports over 15,000 children, young people and adults within the community to feel confident, valued and empowered. 60% experience disadvantage and are often excluded in other areas of their lives - due to mental or physical health challenges, gang-related pressures, being a young carer or experience of the care system often a combination of these challenges.

The outcomes that Chickenshed can evidence for the individuals who we nurture are; increased confidence to connect, self-awareness, self-worth, empathy and self-efficacy. These, combined with awoken creativity and increased motivation, can be observed to be the impetus for subsequent deeper engagement in community projects and activity.
